Experience

MAY 2022 - TODAY Chiang Mai/Bangkok, Thailand

Graphic Designer

Freelance

Design visual identities, logos, and brand assets for small businesses, startups. Create layouts and visuals for print materials such as brochures, posters, business cards, packaging, and editorial content.

MARCH 2021 - MAY 2022 Chiang Mai, Thailand

Customer Care Representative

CLBS

Handled a high volume of inbound calls with professionalism and empathy. Accurately gathered, summarized detailed information to support efficient follow-up. Organized and coordinated appointments.

FEB 2020 - SEPT 2020 Geneva, Switzerland

Graphic Designer

Infomed, Blood Purification Devices

Worked on a wide range of projects including web design, advertising materials (leaflets, exhibition stands, newsletters, user guide videos). Updated and maintained internal databases (vectors, photographs, 3D renderings, videos).

Renewed the visual identity, implemented the brand style guide.

JUL 2016 - FEB 2020 Geneva, Switzerland

Graphic Designer

Catchy (freelance)

Created visual identities and designed a range of marketing materials, including websites, newsletters, and advertising assets. Produced and edited product and fashion photography, including model shoots. Managed website content and product uploads while implementing SEO best practices to enhance online visibility and engagement.

DEC 2015 - JUL 2016 Lausanne, Switzerland

Graphic Designer

Swiss is Good

Designed, developed, and maintained e-commerce websites using Magento and WordPress platforms. Created brand-consistent visual assets including logos, graphic standards, and marketing materials. Improved search engine visibility.

DEC 2012 - JUL 2015 Glovelier / Nyon, Switzerland

Security operator / Receptionnist

Cartier / GlaxoSmithKlein

Provided front-desk service and coordinated visitor assistance. Designed templates of internal badges. Shot badges photographs. Designed various visuals. Implemented the daily used dashboard. Created technical procedures. Managed access badges / phone calls / emails.
